

GEOCACHING

Congratulations, you've found it! (Intentionally or not!)

It's part of a worldwide game loved by GPS (Global Positioning System) users who are on the Internet. It's like a scavenger hunt - it's called '**Geocaching**'. A GPS user hides a "treasure" (this container), and publishes the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

Just 2 Rules! If you take an item, leave something too (but nothing illegal or harmful), and you must write about your visit in the 'log book'.

IF YOU FOUND THIS CONTAINER BY ACCIDENT:

Great! You can join in with us! We only ask:

- Please don't move or vandalize the container. The real fun is just finding it and recording a visit.
- Go ahead and take something if you like. But also leave something too.
